## Piezo Chest Piece

A weighted chest piece with a built-in microphone produces diagnostic quality sound and reduces ambient noise.

The Piezo Chest Piece can be placed at the pretracheal notch with a double adhesive disc.

## Pretracheal Pickup Cable

The Pickup Cable is pre-attached to the Chest Piece and is plugged into the Chest Piece port on the amplifier.

Like other electronic cables, it's best to loosely coil the pretracheal pickup cable for storage.

## Bluetooth Headset

The included Bluetooth headset provides 10+ hours of continuous use, high quality sound, and has a range of approximately 32 ft.

It is only necessary to charge the headset until the indicator light is off. Overcharging can deplete it's useful life.

## Amplifier

The compact amplifier is easy to use, provides outstanding amplified sound, and has integrated Bluetooth technology. A built-in charging port makes recharging the 1000mAh Ni-MH batteries a breeze.

The amplifier is fully charged when the green light goes off or in about 1 1/2 to 2 hours. Charging the unit overnight is not recommended.

[info@sedationresource.com](mailto:info@sedationresource.com)

Ordering

Our Customer Service Team is available weekdays 8 am - 4 pm CST.  
Place orders by phone, fax, email, or online.

Shipping

**Order online 24/7!**  
**[SedationResource.com](http://SedationResource.com)**

- Orders are typically processed and shipped within 1 business day.
- Shipping charges are based on method of shipment, weight and destination.
- Special shipping services are available upon request *(additional charges will apply)*.
- We do not ship orders COD.
- International order expenses *(such as insurance, duties, and shipping)* are the responsibility of the customer.
- Urgent orders must be submitted by 10:30 CST.

Return Request

Submit your return request from the  
**Contact Us** link on our website or  
give us a call for a  
Returns Materials Authorization (RMA).

- Products must be returned in their original purchased form.
- Any returns after 30 days from invoice date are subject to approval.
- All returns must be in sale-able condition.
- Sterile products cannot be returned.
- A 20% restocking fee may be applied for approved returns after 30 days.
- Special order items and/or “non-returnable” items, can not be returned.

Damages:

Claims for missing or damaged items must be reported within 48 hours. Upon receipt of shipment, inspect cartons for any visible damage. If any parcel is visibly damaged, do not accept it. If damage is noticed subsequently, notify the carrier immediately.

Shortages:

Check your packing slip to ensure the item(s) have not been backordered. When reporting, please have the packing slip and original packing materials available.
